

REMARKS

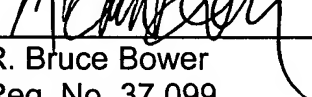

Further to the Preliminary Amendment filed April 16, 2004, this Supplemental Preliminary Amendment amends claims 35 and 36, adds new claims 37-48, and corrects an inadvertent mislabeling of FIGS. 12 and 13. Applicants contend that the amended and new claims do not add new matter and are patentably distinguishable over the known prior art.

If there is any fee due in connection with the filing of this Preliminary Amendment, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,

AMENDMENTS TO THE DRAWINGS:

The Preliminary Amendment filed April 16, 2004, indicated that changes were being made to FIGS. 5 and 12 to add the caption "Prior Art." Drawing sheet 10/11 attached to that Preliminary Amendment, however, included the label "Prior Art" with FIG. 13 rather than FIG. 12. Consequently, the sheet of drawings attached to this Preliminary Amendment includes changes to delete the caption "Prior Art" from Fig. 13 and add the caption "Prior Art" to Fig. 12.
